

PEDREGAL DE SEDONA CUSTOM HOME LOTS WITH VIEWS

Pedregal de Sedona is an enclave of five home sites minutes from the heart of Sedona. It offers fabulous Cathedral Rock and Mogollon Rim views for as far as the eye can see, abundant wildlife and native high desert vegetation. It is a gated community off Red Rock Loop Road that borders the National Forest. The home sites range in size from 0.80 to 1.31 acres. A beautiful paver driveway is installed along with underground utilities. A shared well with service to each parcel is already in place. You're sure to be impressed by the work that's already been done.
